

Business & Investor Engagement Sub-Group

Participants:

France (Co-lead), Mexico (Co-lead), Australia, Canada, China, Denmark, India, Norway, Sweden, UAE, UK, USA

Current Activities:

- Help coordinate with the Breakthrough Energy Coalition
- Organize the Mission Innovation breakfast for June 1 with BEC representatives and other investors
- Organize the Industry and Investor panel for June 2
- Develop a webinar series to offer businesses and investors an overview of MI countries' clean energy innovation policies, programs, and opportunities for engagement
 - Free to attend; hosted by the Clean Energy Solutions Center
 - Live surveys during webinars can gather attendee input on areas of interest
 - Schedule: June 30, USA; July 11, IEA; September 14, India; October 20, France; November 10, Canada; December 14, UK; January 2017, Sweden; February 2017, Mexico

Potential Future Activities:

- Convene key officials, businesses, and investors on the margins of a major event to explore opportunities for greater collaboration under MI:
 - WBCSD Council Member Meeting on October 4 – 6, 2016, in Chennai, India?
 - Innovation for Cool Earth Forum on October 5-6, 2016 in Tokyo, Japan?
 - World Energy Congress on October 9 – 13, 2016, in Istanbul, Turkey?
 - IEA Energy Business Council event on November 4, 2016, in Paris, France?
 - COP22 on November 7 – 18, 2016, in Marrakech, Morocco?
- Develop or commission a report on global best practices for government-industry collaboration on clean energy innovation?
- Other opportunities?
